BIOHORIZONS®

Global Education Tour 2022

A passport to successful outcomes through advanced implant therapy

BioHorizons Camlog Congress Greece

About the course

Athens, the historical capital of Europe is the birthplace of democracy, arts, science, and philosophy. Everywhere you look in Athens, there's a story to be told. Ancient and modern history are combined perfectly in this city.

The perfect Mediterranean climate, the legendary Greek sunlight, the city of Acropolis, the National Garden of Athens, the temple of Zeus, the Panathenaic Stadium and so much more attractions are ready to welcome all the doctors that will attend this BioHorizons Global Education Tour 2022.

Meet the Speakers

Dr. Dennis Tarnow

Dennis P. Tarnow is currently Clinical Professor of Periodontology and Director of Implant Education at Columbia School of Dental Medicine. He is the former Professor and Chairman of the Department of Periodontology and Implant Dentistry at New York University College of Dentistry. Dr. Tarnow has a certificate in Periodontics and Prosthodontics and is a Diplomat of the American Board of Periodontology. He is a recipient of the Master Clinician Award from the American Academy of Periodontology. Teacher of the Year Award from New York University and Distinguished Lecturer Award from the American College of Prosthodontists in 2015. Dr. Tarnow has a private practice in New York City and has been honored with a wing named after him at New York University College of Dentistry. He has published over 200 articles on perioprosthetics and implant dentistry and has coauthored four textbooks including one with Dr. Stephen J. Chu titled "The Single Tooth Implant." Dr. Tarnow has lectured extensively in the United States and internationally in over forty-five countries.

Dr. Andres Pascual

Dr. Andres Pascual La Rocca received his Bachelor of Dental Surgery in 1999 from the Universidad Central de Venezuela in Caracas. He completed his master's degree in Periodontics and Diploma in Implantology at the International University of Barcelona. With over 12 years of experience in Periodontics he maintains a private practice limited to Periodontics and implant dentistry in Barcelona, Spain. While maintaining his private practice, Dr. Pascual also enjoys clinical teaching. He is the Co-Director Master of Periodontology at the International University of Catalonia, Associate Professor in the Department of Periodontics at the International University of Catalunya, he is the author of national and international scientific articles and is a Specialist Partner for the Spanish Society of Periodontology and Osseointegration. Dr. Pascual has extensive experience lecturing on Periodontics and Implants in Europe and America.

Dr. Christos Angelopoulos

Dr. Christos Angelopoulos is a graduate of the Aristotle University, School of Dentistry, Thessaloniki, Greece. His post-doctoral training includes a 2yr internship in Oral Surgery (Aristotle University) and a 1yr GPR program (Truman Medical Center, Kansas City). In addition, he has completed a 3yr Oral and Maxillofacial Radiology residency program at University of Missouri-Kansas City, School of Dentistry and he was awarded the MS degree in Oral Biology. His PhD thesis was on Cone-beam computed tomography and was completed in 2010.

Dr. Angelopoulos is a diplomate of the American Board of Oral and Maxillofacial Radiology and a fellow of the International College of Oral Implantologists. Currently, he is a Professor and the Director of Oral Diagnosis & Radiology at the National & Kapodistrian University of Athens, School of Dentistry in Greece.

Dr. Kleanthis Manolakis

Dr. Kleanthis Manolakis graduated from the School of Dentistry, Albert-Ludwigs-University Freiburg, Germany in 1989. He also completed his thesis at the same university and was awarded the Dr.Med.Dent. degree in 1991. He was trained in fixed prosthodontics and dental implantology at the Center of Dental Medicine, Department of Prosthodontics and Department of Oral Surgery, University of Zurich, Switzerland (1993-1995). Since 1995 he maintains a private practice specializing in esthetics and dental implants in Thessaloniki, Greece. Founding member and since 2012 Treasurer of the Hellenic Academy of Aesthetic Dentistry. Country Chairman Greece for the European Society of Cosmetic Dentistry. Course director and instructor for international training courses.

Moderator: Dr. Spyros Vassilopoulos

Dr. Vassilopoulos graduate from D.D.S. School of Dentistry, National and Kapodistrian University of Athens (NKUoA), Greece, in 1995.

He received his specialization in Periodontology in 2001. Also, received a Master of Science in Oral Biology (MSc), in 2001 and Doctor of Dentistry Degree (Dr Dent) in 2008.

Dr. Vassilopoulos is a Postdoctoral attendant & teaching assistant for Tufts University, Boston, Massachusetts, USA, 2009-2010.

Dr. Vassilopoulos will become President of the European Federation of Periodontology (EFP) for 2025-2026.

He is currently a member of the EFP executive committee.
